## FORMULATE® MASTER BACKWALL CONNECTORS

FMLT-WBWC

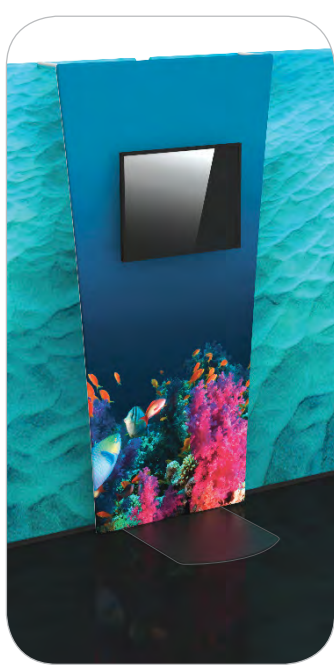

Enhance and add messaging to 10' and 20' Formulate® Master backwalls with new Master Backwall Connectors! Master Backwall Connectors make it simple to connect two 10' or 20' Formulate Master backwalls. Connectors feature a slip-over pillowcase fabric graphic and lightweight aluminum tube frame that connect easily to the backwall to create the appearance of one seamless display.
