

NEW FABRIC MULTIMEDIA KIOSKS

Combining lightweight, durable aluminum tube frames with state-of-the-art printed pillowcase fabric graphics, new Formulate® multimedia kiosks provide a fresh, eye-catching appearance and make it easy to incorporate digital messaging into any space. Counters in the front of the display make it easy to add literature or product to accompany digital messaging. Choose from four different styles to find the perfect modern Formulate® kiosk solution. Proudly made in the USA.
